ProClean C21

Removes stains & odours

ProClean-21 is formulated to ready to use for Spot Cleaning, Machine Cleaning & also compatible with steam extraction machines. It is a carpet and upholstery cleaner that removes stains, mould, mildew and odours. The safe biodegradable formulation allows for easier disposal after cleaning.

FEATURES AND BENEFITS

- Water-based formulation, Neutral pH, Safe on material
- Non-toxic and non-hazardous
- Effectively removes stains and odour
- Leaves a pleasant fragrance
- Diluted before use and hence economical
- Low foaming characteristics
- Compatible with steam extraction machines
- Can be used neat for spot cleaning or diluted with water
- Transparent colour for ease of identification

Available in 1 liter, 5 liter & 20 liter

DILUTION

For heavy stains dilute 1:10. For general cleaning dilute 1:20. Use demineralised / soft water for dilution. Fill diluted solution into a clean trigger bottle/machine and use. Wear PPE's before using the product.

APPLICATION

For machine cleaning: Fill dilute ProClean-C21 and clean. The dilution ratio can be adjusted to suit the cleaning conditions. It is important that carpet / upholstery is left to dry before use.

For spot cleaning: Apply a liberal amount onto the carpet surface. Rub in with a clean and damp cloth. Blot excess liquid with a clean towel.

Storage and safety: Wear PPE's before using the product. Store in a cool, dry, ventilated place. Keep out of reach of children. Dispose of container in accordance with local regulations. Please refer the safety data sheet for complete details.
