

TECHNICAL DATA SHEET

UNIVERSAL PRECAUTION KIT

Code 4852/PREKIT

DESCRIPTION

Callington Universal Precaution Kit is a versatile aircraft inflight cleaning kit, which readily supports the cleaning procedures for flight crew. The kit consists of an effective bactericidal cleaner, face/eye mask, long sleeve protective apron, disposable wipes, gloves, absorbent granules, absorbent cloth, plastic scoop and bio-hazard waste bag.

The Ki-ose 3-in-1, included in the Universal Cleaning Kit, counteracts and neutralises unpleasant odours from the toilet and cabin area. Fresh & Clean can also be used in toilets and air conditioning vents to kill germs. Ki-ose 3-in-1 is also effective as a surface cleaner for hand basins toilets, cupboards, passenger trays and floors.

FEATURES

- Conforms to both IATA & ICAO recommendations
- Instructional leaflet included
- Designed for single use application
- Packed in tamper proof plastic packaging for added security
